WORK EXPERIENCE

HSBC

Data Analyst

Bangalore

June 2024 – Present

- Built and deployed a “New To Trade” machine learning model for Hong Kong (HSBC’s largest trade market) to identify high-potential clients, using **GCP BigQuery** to integrate external Dun & Bradstreet (D&B) import/export data and behaviour scores; pilot runs showed **10–15%** higher conversion likelihood with potential multi-million USD revenue impact.
- Identified a critical data gap in HSBC’s **Core Trade Financial Crime Compliance** dashboard (**0%** visibility) after a stakeholder escalation; independently engineered a Python script to extract and integrate data from flat files into the parent dataset, bringing data visibility to **100%** and eliminating recurring manual effort.
- Leading the end-to-end Financial Crime Compliance (FCC) analytics project, migrating legacy workflows from SAS/Macros to Python; automated reporting pipelines have reduced manual effort by **~70%**, delivering efficiency gains equivalent to **2 FTE** annually.
- Actively contribute to HSBC’s **Women in Data Analytics & AI** initiative, mentoring peers, shaping communications, and driving engagement to advance diversity and inclusion within the data community.
- Awarded the **Rising Star(Q1 2025)** and **Team of the Quarter(Q4 2025)** within the first two years at HSBC for high-impact analytics and automation initiatives.
- Mentored a trainee through HSBC’s traineeship program to full-time conversion by providing hands-on guidance, technical coaching, and performance feedback.

Tech: Python (Pandas, NumPy, XGBoost), SQL, PySpark, Automation, Data Pipelines, GCP, Prompt Engineering

Analitica

Business Analyst

Bangalore

October 2023 – June 2024

- Delivered **30+ shopper and consumer insight analyses** for global CPG brands including Newell, enabling marketing and sales strategy decisions.
- Built an interactive **Power BI dashboard** automating manual reporting and reducing analysis time by **25%** while improving stakeholder data visibility.

Tech: Power BI, SQL, Excel, Data Visualization, Business Analytics

HSBC

Data Analyst Intern

Bangalore

January 2023 – July 2023

- Built NLP models to extract **10+ key customer experience themes** from unstructured feedback data, enabling targeted service improvements.
- Developed a **Marketing Mix Modeling** tool in Dash/Python to measure campaign effectiveness and optimize marketing spend.
- Delivered a **Dash (Python)** upskilling session for 40+ colleagues including senior leaders.

Tech: Python, NLP, Dash, SQL

SKILLS

Python (Pandas, NumPy, Scikit-Learn, Dash), SQL, PySpark, Power BI, Machine Learning, NLP Data Pipelines, Dashboarding, Automation, Git, Excel, Data Storytelling, Cloud (GCP, Azure), Prompt Engineering, Generative AI

EDUCATION

CHRIST (Deemed to be University), Lavasa.

Pune, Maharashtra

Graduation Date: June 2023

MSc in Data Science (GPA:3.54/4.0)

- Conducted various workshops on **Azure**, **Git** and **GitHub** for both UG and PG students of the Department of Data Science.
- Published 2 research papers in the AgriTech domain in IEEEExplore.

Mount Carmel College

BSc in Physics, Mathematics and Computer Science (CGPA:7.56/10)

Bangalore, Karnataka

Graduation Date: June 2021

- Head of the Physics Association at the College.

PROJECTS

R Programming Textbook Companion published in association with FOSSEE, IIT Bombay

- Converted **800 pages** of Introductory Statistics into **183 executable R code examples** for practical learning and reproducibility.

LEADERSHIP EXPERIENCE

Lean Six Sigma Yellow Belt Certified

April 2026

Microsoft Learn Student Ambassador Program

Gold Ambassador

Remote

August 2020 – June 2023

- Selected as one of 23 **Gold Microsoft Learn Student Ambassadors** from 1200+ across India.
- Contributed to the **Data Science for Beginners** (<https://github.com/microsoft/Data-Science-For-Beginners>) and **ML for Beginners Lesson** (<https://github.com/microsoft/ML-For-Beginners>) on the official Microsoft GitHub repository.
- Delivered workshops at **Microsoft Reactor Bangalore** & **Microsoft Reactor Europe** to over a 1,000 viewers.
- Organised **Azure Fundamentals AZ 900** Boot Camp, successfully guiding peers to achieve professional certification.
